BCR-685 (skim milk powder)

DECLARATION OF CONFORMITY AND ORIGIN:

To whom it may concern:

- The raw material employed in the processing of the certified reference material BCR-685 (skim milk powder) was a spray-dried milk powder delivered in 25 kg units (packed in protected paper bags) from Lactoprot (Werk Hartberg, Austria).
- Further processing and filling took place at our premises. Based on the available information and knowledge, any infectious danger resulting from an exposure to this material can be excluded, because of the treatment process applied.
- This material has not been exposed to or inoculated with any livestock or poultry disease agents exotic to the United States or the EU.
- This material did not originate from a facility where work with exotic disease agents affecting livestock or avian species is conducted.
- The material is not an antiserum.
